Re: **Letter of Collaboration**

To whom it may concern:

If the proposal submitted by Professor Fred J. Hickernell and co-PIs entitled "CyberTraining: CIC: Cross-Disciplinary Education for Next-Generation Computational Scientists" is selected for funding by NSF, it is my intent to collaborate as detailed in the Project Description section of the proposal.

Sincerely,

A handwritten signature in dark ink, reading "Lois Curfman McInnes". The signature is written in a cursive, flowing style.
